*If royalty is what you are aiming for, cities like Udaipur and Jaipur in Rajasthan are home to some of the most stunning palace and heritage hotels, gorgeous architecture and picturesque scenery. If you would rather get married by the sea, Goa offers a variety of high end resorts and hotels, all along its many cities and beaches.*

*If you head north, Agra is another great destination for a luxury destination wedding. And getting married with the everlasting symbol of love – the TajMahal in the background, has a special symbolism to it altogether.*

### ***International Wedding Destinations***

*On an international level, the world is quite literally your opulent oyster.*

*KohSamui, Maldives and Bangkok are some of the popular wedding destinations in Asia.*

*The islands of Maldives, a 5 hour flight via Columbo, amidst the Indian Ocean are a hot-spot for honeymooners and weddings alike. Gorgeous white sands and turquoise waters make the perfect setting for a luxurious wedding here. One of the most exclusive options here is 'The Rania Experience' perfect for wedding packages; you will have an entire private island and private yacht, butlers and a spa at your disposal. A truly one of a kind experience!*
